"Focusing always on the human being and treating his genius as only one aspect of his character, [the author] has drawn a fascinating portrait of the greatest painter of the eighteenth century, set against a background of throbbing life that is peculiarly Spanish... 'In the Blazing Light' is a rich book. The author has succeeded in identifying himself both with his main subject and with much of the spirit of eighteenth-century Spain. To read the story is to journey through Madrid's narrow, crooked streets and its fashionable avenues accompanied by the greatest painter of the age." Jennings Rice

371.425 Vocational guidance 46-5747

"From a background of counseling 25,000 persons, during his 25 years of experience

in the YMCA, Whittier College, and the California State Department of Education. Mr. White has a story to illustrate every point he makes in his new book. His theme is that the postwar situation will necessitate a job-change for an estimated 25 million persons. When faced with a necessity for change, he believes, people react in one of four ways: they may run away and seek to escape a new adjustment; they may give up and consider themselves beaten; they may rebel and fight; or they may accept the situation as a problem and work for a solution. After a short chapter on the situation expected to develop in the labor market, the next 100 pages are addressed to nine specific groups or situations—the displaced war worker, the returned serviceman, the new graduate, the woman worker, the physically and the emotionally handicapped, the worker that is dissatisfied with his job, and the worker that has been fired." (Survey) Bibliography.

WHITE, LEONARD DUPEE, ed. Civil service in wartime. 253p \$2.50 Univ. of Chicago press 351.1 Civil service—U.S. A45-5203

Ten lectures on the recruiting and use of civilian personnel in wartime. Contents: The scope and nature of the problem, by L. D. White; The search for executive talent, by social scientists, by John McDiarmid; The nation's professional manpower resources, by Leonard Carmichael; The mobilization of personnel for the field establishments of the War and Navy departments, by A. S. Flemming; The citizen civilian army, by Frank Bane; The control of government employment, by E. B. Young; The international civil service of the future, by E. F. Ranshofen-Wertheimer; Successes and failures, by Louis Brownlow. Index.

"The papers in this volume do not adequately chronicle the mobilization of our manpower resources for war. There is, for example, no real consideration of the over-all rôle played by the War Manpower Commission. Moreover, the papers do not present a unified point of view. It is difficult for the reader to discover any fundamental cohesion among them, except that all deal with some aspect of the employment process. Despite these limitations, the volume is indispensable for anyone who would understand either the transformations undergone by the service in wartime or the probable direction of evolution in the postwar years." J. D. Kingsley

+ Am Pol Sci R 40:362 Ap '46 1050w

"This book is not only recommended to those interested in the administrative field, but should be of constructive interest to many public-spirited citizens as well. The coldly factual presentation of the problems of men, jobs, and salaries is excellent refutation of the unfortunately popular attitude (in some circles) toward government service in general. The short story presented of the overnight establishment of ration boards by state governments, working under national direction, is at least a partial answer to those who fear for state autonomy in 'local' matters." Booklist 43:153 Ja 15 '47

"I admit that Miss Bourke-White makes an heroic effort and often succeeds in being simply an open-minded observer with decent, human emotions coloring her picture and sanity guiding her. The book is vivid, warm and almost fascinating, although its success is going to be hampered by the fact that it is about a year too late for its own purposes. I hope it will be read by the many people who are already beginning to forget what it was really like when our armies entered the vanquished enemy's land after bursting open that iron curtain. Some of the shortcomings of the book are the publishers' fault. . . I have to take the authoress to task, because I wish she, like many others, would stop telling us about imperfections of the Germans which, if they were there, still would have little to do with the basic ones. . . The tragic thing is that with this kind of immature 'contempt' propaganda we have completely confused our own people, so that when they get there and find clean, washed, well-dressed and good looking people who have bathrooms and use lipstick, they call the whole thing off and feel they fought the wrong people, since Italy and France, e.g., don't care so much about these things. Too bad that this attitude shines through most of the chapters of this book which really has a quite serious mission." H. A. Reinhold
+ Commonweal 45:327 Ja 10 '47 1150w

"It is perhaps a less emotional, a more cerebral book than Purple Heart Valley; it is scrappy and episodic; but it carries a punch that too few books on the subject have carried. Once again the warning is there—don't forget too soon the grisly horrors for which all levels of German society were responsible. . . It should be read. Will it?"
+ Kirkus 14:508 O 1 '46 270w

"Miss Margaret Bourke-White, equipped with a battery of Rolleiflex cameras and with a prose style which can occasionally turn out a paragraph as clean, as clear, and as dramatic as any of her negatives, entered Germany with our victorious armies at the very moment when the military machine and the philosophy of the Dritte Reich were tottering and crumbling into ruins. In this book the Life photographer and author of 'Shooting the Russian War' and 'Purple Heart Valley' has done full justice, as a reporter, to one of history's great moments." W. L. White

+ Library J 71:1207 S 15 '46 70w

"This is one of those books—on which the English seem to have a corner—designed for children of all ages. But also in the way of such English fantasies, 'Mistress Masham's Repose' is far better than it sounds in outline. It is literate, graceful, and malicious, not merely whimsical, altogether a really charming contrivance." Diana Trilling

+ Nation 163:479 O 26 '46 150w

"Mistress Masham's Repose" might well have been the good social satire it promised, for about fifty pages, to be; but Mr. White, apparently overcome by whimsy, let his characters and his action wander into the bogs of undefined fantasy. And the story has neither the charm nor the simplicity to enchant children, nor the maturity which will be expected of it by most adult readers. The disappointment will be the greater from the author of 'The Sword in the Stone.'" Lawrence Lee

+ N Y Times p4 S 29 '46 500w

"Mr. White gets off to the delightful start you might expect of the author of 'The Sword in the Stone,' but, unfortunately, just as the tale gives promise of becoming first-rate social satire, he bogs down in whimsy that is not likely to charm children and will certainly not interest adult readers."

New Yorker 22:115 O 26 '46 100w

"Like Swift, Mr. White tells his story with a spare truth or two up his sleeve, though with a satire far less savage. The reader will uncover these plums in the pudding as he goes along, but it doesn't much matter if they are ignored. This is as 'Alice' was for example a fantasy which supports itself on its own ground. Like 'Alice,' moreover, 'Mistress Masham's Repose' remains wholly within its own frame—something that must be extra-

ordinarily difficult to achieve, as Lewis Carroll and Mr. T. H. White both achieve it." J. H. Jackson

+ San Francisco Chronicle p12 O 28 '46 650w

"It had better be admitted at once (since the habit of using an author's best work as a yardstick is unfair but almost unavoidable) that this has not the wisdom and valor which shone out in 'The Sword in the Stone.' The professor lectures to Maria on how she must respect the human rights of the Lilliputians are well enough, but they are not up to the education of the Wart. But then, why should one expect it? This is an exquisite flagree, with all the bright charm of the miniature. . . As its Lilliputians would say, it is a Work to be held in high Esteem by all true Persons of Quality." Basil Davenport

+ Sat R of Lit 29:7 S 28 '46 800w

"A book that is freakish fantasy from start to finish. Supposedly a children's book, it will entertain most adults. . . The book's charm lies in Author White's nostalgic evocation of 18th Century life, his knowledge of animal and country lore (in private life he is an ardent naturalist) and his ability to make genuinely dramatic such absurdities as the thrilling rescue of Maria by the Lilliputian rat-cavalry. The best things in *Mistress Masham's Repose* are the mischievous parodies of human clichés-of-thought."

+ Time 48:108 O 14 '46 550w

"[This book] is one of those rare literary efforts which achieves precisely what it sets out to achieve, strewing charm and laughter and excitement along the way. Its characters, its plot, its setting are all quite real and believable, even to the 365,256 servants who staff Malplaquet in its final days of glory. Its ironies are shrewd and never heavy-footed. There is, in fact, nothing which can be said about the book except to praise it without limit, and this leaves a reviewer frustrated. 'Mistress Masham's Repose' is an unqualified success, a book as delightful for children as it is for adults. The illustrations by Fritz Eichenberg are superb, and there are a lot of them." WHITE, WILLIAM ALLEN. *Autobiography.*
669p il \$3.75 Macmillan

B or 92

46-1656

The life story of the Kansas editor and author, which accounts for his background and then goes on to describe his life, his family, his travels, and his contributions to American life, up to 1923. The last twenty pages are by his son. They summarize the last two decades of his father's life. Index.

"Three contributions will make White's *Autobiography* a work of continued usefulness to political investigators: (1) the excellent analysis of the economic forces controlling midwestern politics during the last half-century; (2) the revelation of what may be called a prototype of the small town mind made articulate; and (3) the personal pictures of the politically conspicuous in recent American history. . . Finally, all readers will derive pleasure from the life story of a happy man whose life was intelligent and full. Such autobiographies are all too rare." J. B. Shannon

"White could not fail to make his own story interesting. But it is more than that; it is a documentary piece of work, living history told in the native tongue, vivid, illuminating a great chunk of American life. The first impression may be one of gossip, even a certain triviality; but this impression soon wears off. White displays the zest, the exuberance, the unconventionality, the cocksureness, the naivety, the loveableness of the successful American at his best. As a writer and thinker, he was influenced by both Emerson and Whitman, but it is Whitman who guides his pungent pen in some of the liveliest of his sentences." Blodwen Davies

+ Canadian Forum 26:93 J1 '46 800w

"[William Allen White's] long awaited autobiography wins every reader by its wise and common sense editorial comments on every phase of American life, by its evident honesty and blunt outspokenness, by its clean cut, if sometimes caustic, estimates of men in public life. . . White fails to hold our interest when he discusses the ups and downs of the Republican party in Kansas, but we do listen to him—not always agreeing—when he speaks of possible reforms in our country's economic and political life." E. L. Conway

+ Cath World 163:375 J1 '46 300w

"The whole nation will know and love William Allen White better, and it will know itself better, when it has read *The Autobiography* of William Allen White. I am sure this is his greatest book. It is a long book, and in his 627 pages he only got as far as 1923. But in these pages, expressed in the life of one man, is the hope and the complacency, the awareness and the unawareness, the joy and the apprehension, the mingling of certainty and uncertainty, the deep and ineffable expectancy of good, which are all typical of the best of America in these years." + Kirkus 14:26 Ja 15 '46 550w

"Fascinating from many angles. . . As a record of one more individual who in living his life wholeheartedly touched ever-widening circles: it is inspiring reading. For all li-

braries and in particular for all who are interested in knowing what elements have formed the United States." M. C. Manley

+ Library J 71:343 Mr 1 '46 100w

"The White *'Autobiography,'* foreshortened by the author's death in 1945, is a great book on several levels. As a personal narrative it is a joy to read. . . As a detailed and animated study in the workings of American political machinery—local, state, and national—the book is superb. . . No journalism of our day can touch the *'Autobiography'* for sheer reportorial brilliance. . . White's estimates of people are personal rather than political, and he has sketched a fascinating gallery." Robert Bendiner

+ Nation 163:217 Ag 24 '46 2000w

"White lacked the critical powers of the best of his contemporaries, but he was surely their peer as a reporter, and he was better than the best of them in the succeeding generation. As reporting, reporting of the sort that captures mood and character as well as fact, his memoirs are fit company for any that have been written by Americans in this century or the last. He does very handsomely indeed by the worlds he knew—the world of the middle-class Middle West, the world of American journalism and the world of American politics at the business, or pre-balloting, level." R. H. Rovare

+ New Repub 114:622 Ap 29 '46 1400w

"William Allen White did not die. He was too young to die, too full of life. In 1946 his newspaper goes on, his town goes on, and there is a little of him in all the people who were his neighbors; they helped make him what he was and he helped make them what they are. And now he lives in his final book, which will be read just as long as anyone is interested in what happened in Kansas and in the United States between the year 1868 and the year 1923." R. L. Duffus

+ N Y Times p1 Mr 3 '46 2300w

"Despite the abrupt ending of the main narrative, the book is an absorbing and valuable American document, for by the early twenties William Allen White's pattern of life and of thought was set and he had grown up about as much as he cared to."

+ New Yorker 22:102 Mr 16 '46 160w

"To the White addict, this suave and swift autobiography with its quick shift of moods from grave to gay, its insight, its occasional flavor of the prophet, tells old familiar tales with new illumination and is as fresh and absorbing as though the author were a new literary acquaintance and his career a discovery. . . This [is] a book which, this reviewer believes, may be a permanent part of our social history! Nothing else I know in American literature gives so effectively the feeling of a West just emerging from the pioneer period as the earlier chapters, nothing more fully the merits and limitations of small-city life and the meanness of small-city politics as the middle part, and when he comes to the era when national politics absorbed his best energies he adds many an important page to the authentic record of the times." Will Irwin

+ Sat R of Lit 29:7 Mr 16 '46 1600w

"To any student of American politics this autobiography is essential and will prove delightful." R. H.

+ Spring'd Republican p4d Ap 7 '46 1650w

"The autobiography culminates in the several chapters which describe the origin and growth of the Progressive party under Theodore Roosevelt's leadership. White was highly sensitive to dramatic effects; he had a keen sense of 'theater.' And that artistic talent was by no means wasted on his 'inside' account of the rise and fall of the Roosevelt rebellion against conservative control of the Republican party. The book declines in interest after that. White did not finish his life story and the last two decades are covered very briefly by his son, W. L. White, mainly with extracts from his father's private correspondence and scattered editorials and articles." W. L. Cook

WHITTLESEY, CHARLES RAYMOND. National interest and international cartels. 172p \$2.50 Macmillan

338.85 Trusts, Industrial. Industry and state 46-4354

"To assist in clarifying an issue as controversial as that presented by international cartels, a writer must accomplish two main

tasks; he must undertake to discover the questions that would arise in an intelligent reader's mind and must contribute, so far as facts and his own powers permit, to finding answers to these questions. This study, which attempts to meet these specifications, is deliberately interpretive in character. It is a product of the belief that the times call for a critical examination of the flood of contentions pro and con, and of the mass of data brought to light in recent years, rather than for further effort to discover new evidence on particular cartels or on the cartel problem in general." (Pref) Index.

Am Pol Sci R 40:1023 O '46 320w

WIEMAN, HENRY NELSON. Source of human good. 311p \$3.50 Univ. of Chicago press 121 Worth A46-3800

"As religious believers have always held, Professor Wieman holds that the source of values is not subjective, but is beyond man. The present volume is a fresh account of values, with a theory of their cosmic setting. The source of values Professor Wieman calls 'the creative event.' Contrary to majority

opinion, he denies that the creative event, or God, is a conscious personal spirit; he views it as a process within nature, and sets aside a personal God as 'mythical.' This study thus continues the attempt to unite the spiritual values commonly grounded in theism or idealism with the philosophical theories of naturalism. 'It is a naturalism including what is spiritual.' " (U S Quarterly Bk) Index.

"This book presents a theory of value and offers itself as a contribution to religion in general and to the Christian faith in particular. I shall confine this review to a consideration of its bearing upon the Christian faith. My conclusion may be stated at the outset. The effect of Professor Wieman's thesis is to drain off the substance of Christianity and leave it a hollow unreality. The governing idea upon which the book is constructed is, in my judgment, wrong and, if accepted, would devitalize the Christian faith." C. C. Morrison
— Christian Century 63:1374 N 13 '46 2950w

"Dr. Wieman, professor of Christian theology at the University of Chicago, has here rendered a valiant, stimulating service to Christian thought. For thirty years he has been interested in a theory of value that will bridge the widening gulf between the cultural matrix, especially of Christianity, and technological order. He finds the accepted theories of value of the greatest religions fitted to man in his weakness but useless now to man in his increasing power over nature and his fellow-men." C. L. Willard

+ Churchman 161:18 Ja 1 '47 360w

"Written in a lucid style, the book is striking for almost complete lack of documentation, although it discriminates carefully, but briefly, between the author's view and the more or less similar positions of Whitehead and Dewey. There is little attempt made, however, to examine the unique values contributed by the idea of God as a conscious spirit."

WILD, JOHN DANIEL. *Plato's theory of man; an introduction to the realistic philosophy of culture.* 320p \$5 Harvard univ. press [28s Oxford]

184.1 Plato A46-912

"Recently a learned tendency to see in Aristotle's extant treatises the possible speculative framework of 'scientific naturalism' has led to definitions of Plato which dismiss him either as a 'reformer' or as an 'idealist.' It is with this tendency that Professor Wild's book is concerned, though it is far from being restricted to a narrowly conceived thesis. The author professes to have drafted an 'introduction to the realistic philosophy of culture'; and though his point of view differs from that of More's 'Greek Tradition' or Jaeger's 'Paideia,' he has tried to write with comparable breadth and purposefulness." *Weekly Book Review*

"'Plato's Theory of Man' is an exceptionally interesting book, frequently rising to heights of eloquence that the general reader would not anticipate in a book dealing with the rigorous discipline of philosophy. Elaborated with the critical apparatus of exact scholarship, it is not light reading, but the diligent reader will be rewarded with numerous stimulating observations concerning some of the fundamental problems our society must solve." John Day
+ N Y Times p17 J1 7 '46 650w

"Dr. Wild has the dialogues at his fingers' ends; but there is something of a conflict between his faithfulness to the word and his enthusiasm for the spirit, and one could wish that a good deal of his detailed interpretation had been relegated to notes or appendices, if not to another book altogether. There is still room for a presentation of Plato's politics in modern dress which would reveal him as unique in his combination of philosophical depth and practical understanding of the psychology of the common man."

+ Times [London] Lit Sup p581 N 23 '46 1700w

"It is not easy to convey the quality of a book like this. One is impressed by the excellence of its scholarship, which includes meticulous respect for the texts. Some of us may be delighted to find, at long last, a historian for whom the intellectual past does not exist merely for its own sake. But I think it may well be that most of those who read this volume will rejoice that a philosopher has done hard work, very hard work, in order to lay bare problems of vital importance." G. N. Shuster

WILLIAMS, MARY FLOYD. Fortune, smile once more! 312p \$2.75 Bobbs

46-7832

Romantic story of San Francisco in the early 1850's. The hero is Sam Watkins, an Australian convict, and the English lady's maid with whom he fell in love is the heroine. Sam managed a thrilling escape, and made San Francisco in 1851. For a while he did well among the gamblers and gold seekers, but in time his past overtook him.

"Mary Floyd Williams has been known previously for her scholarly historical studies. In 'Fortune, Smile Once More!' she has come storming out of the book stacks with mortar board askew. And on her the new angle is becoming." Wendell Johnson

+ Book Week p28 N 10 '46 300w

"It is good reading though not good literature. The story is fast-paced; the romance, while not wholly satisfactory, pervasive enough to give one a balance to the mounting details of the seamy side of San Francisco's gangster scene."

+ — Kirkus 14:300 J1 1 '46 250w

"The background is all there, colorful and exciting. But the story is too thin to hold the fabric of research together. The tale becomes overpopulated with characters whose names sound authentic, but who never seem to become real people to the reader... Oddly enough, when Miss Williams' fiction is at its dullest, her material is most interesting. What you really want her to do is to drop all pretense of story-telling and stick to the facts." Nancy Ladd

+ — N Y Times p20 N 17 '46 380w

"Altogether, 'Fortune, Smile Once More!' is a costume-piece in the right tradition. You'll get plenty of story and solidly authentic background from the yarn at one and the same time." J. H. Jackson

+ San Francisco Chronicle p14 O 11 '46 500w

"It is hardly possible to write of the hoodlums and the Vigilantes and not do a lively job, but Mary Floyd Williams has done much better than that—in color, contrast and turbulent action. Having written about the period as a historian, she has tossed her staid bonnet into the bay and let her imagination romp." Lisle Bell

+ Weekly Book Review p30 N 3 '46 150w

"Now, 'when all the world's a-jangle and ajar,' let us contemplate poetry and cultivate the tranquil mind. Mr. Williams' selection gives as good an assortment of the last half-century's verse as is now available. The jacket, but not the title page, carries the ascription, 'The Best Poems of the Twentieth Century.' (Publishers are seldom as modest as authors, or even editors.) There is no ground for quarrel with this claim, if 'best' is taken in a free sense and with due allowance for the factor of personal preference which can never be excluded from the appraisal of the products of art. These are the poems which are best in this anthologist's eyes, and the general excellence of his collection shows that his judgment is entitled to respect." W. E. Garrison

Nation 163:703 D 14 '46 420w

"This little volume pleases both hand and eye and puts between covers, the publishers say, 'the best poems of the twentieth century.' Mr. Williams qualifies this description in his preface. He says he included what satisfies his taste, 'i. e., what I am activated into liking.' But Oscar Williams obviously intends it to be understood that what activates Oscar Williams is actually the best." R. G. Davis

N Y Times p3 J1 7 '46 6200w

"Mr. Williams' taste tends toward the experimental; he ignores certain important conservative modern writers. He does a good

over-all job, however, of giving the neglected their due, the odd a hearing, and the young a place. T. S. Eliot's 'The Waste Land' is given in its entirety. A section of light verse and photographs of the poets lend variety and interest."

+ New Yorker 22:75 J1 20 '46 160w

"Unfortunately [Williams'] unorthodoxy results neither in bold discoveries and revaluation nor in thought-provoking omissions but leads him to include a number of indifferent pieces by indifferent poets. . . . Curiously enough, whenever he deals with poets of unusual stature he suddenly shows considerable discernment and refuses to be taken in by some of their most popular yet inferior pieces. . . . There are of course many excellent things in this book, which make it well worth having. In a sense, it is the only anthology of its kind; that is, the only one giving a fair representation of the more difficult older poets—especially W. C. Williams and Marianne Moore—and some of the most gifted among the younger or middle-aged (Auden, MacNeice, Lawrence Durrell, W. R. Rodgers, Peter Quennell, Louise Bogan, Elizabeth Bishop). . . . The book is handsomely printed and well indexed. The poems are grouped under running-heads, an arrangement as arbitrary as any other but less insipid than the customary alphabetical or chronological order." F. C. Golfing

WILLIAMS, ROGER JOHN. The human frontier: a new pathway for science toward a better understanding of ourselves. 314p \$3 Harcourt

572 Man, Psychology, Applied 46-8577

"An introduction to the science of 'humanics,' which could be defined as the science of human nature, behavior and relationships. The point of view is that of the biochemist. The approach to the problems of society is therefore from the side of the individual, and to the individual from the consideration of his physical structure and its functioning. The author does not, however, assume that man can be completely defined in terms of his physiology and chemistry. From chapters on metabolism, the sense organs and the endocrine glands, he passes on to others on psychological traits, education, cultural interests and social forces. Religion is not omitted. The fact of differences between individuals is so strongly (and justly) stressed that the program of research toward which this prospectus of a

complete science of humanics points seems almost infinite in its extent and complexity." (Christian Century) Bibliography. Index.

"The work is an extraordinarily suggestive and enlightening introduction to that science."

WILLIAMS, TENNESSEE. 27 wagons full of cotton, and other one-act plays. 207p \$3.50 New directions

812 46-2373

Eleven one-act plays by the author of *The Glass Menagerie* (Book Review Digest, 1945). "The somber world of Mr. Williams' imagination is peopled in these plays by schizoid virgins, nymphomaniacs and morbidly frustrated poets. Incest, murder, adultery and arson are the daily occurrence of a world whose manifest end is the mad-house or an unquiet grave. Sin is joyless here, and passion hateful." (N Y Times)

"Perversions come a penny a piece in some of these dramatic pieces: 'The Purification' is a play that recalls Yeats and Robinson Jeffers in its devices and intensity, and it concludes in a manner frankly and classically Greek. . . . Probably no one of these eleven plays comes up to the stature of Williams' 'Glass Menagerie' in terms of theater, but every one is surely pre-eminently readable." Leo Kennedy

"If the pieces in this volume were written before 'The Glass Menagerie,' then he may be said to have made some progress in the direction of substantial achievement. If they are recent work, then there seems grave danger that his talent is merely a minor one." J. W. Krutch

Nation 162:267 Mr 2 '46 270w

"The magistrates of Boston were offended, in 1940, by 'Battle of Angels'; they are unlikely to be more hospitable to plays whose properties include filthy pictures and the flagellant's whip. Wife-sellers, adolescent tarts and vocal furniture-movers may not seem to them the ideal objects of compassion. Yet to call these plays obscene would be a mistake. 'Sentimental' is better, for here, as in 'The Glass Menagerie,' revelation of the unutterable human spirit is Mr. Williams' first concern. If he is largely unsuccessful, it is because too few of these characters dwell within the boundaries of credibility and unfeigned sympathy." Denham Sutcliffe

N Y Times p8 F 24 '46 500w

Theatre Arts 30:557 S '46 40w

"What the South will have to say about some of the eleven one-act plays by Tennessee Williams now gathered into one volume remains to be heard, and it is strictly a family affair. The title play, '27 Wagons Full of Cotton,' which Mr. Williams quaintly calls 'a Mississippi Delta comedy,' is as sickeningly horrible as anything in the works of William Faulkner, and several of the other plays, or sketches, while less gruesome, leave the bitter taste of decay. The same taste, of course, is found in 'The Glass Menagerie.' Mr. Williams seems to be a sad young man, at times, wandering amid life in ruins to discover his wistful poetry." W. P. Eaton

WILLIAMS, WILLIAM CARLOS. *Paterson* (book one). \$2.50 New directions

811 Paterson, New Jersey—Poetry (46-5910)

"This is the first part of a long poem in which one of our most consciously American poets attempts to focus in extended form the poetic concepts of many years' work and growth. In the poem Dr. Williams employs the traditions and traits of an American locality—in this case the area around Paterson, New Jersey—in somewhat the same way as a modern painter uses abstract form to achieve a definitive statement. In the particulars of place and environment the poet finds a pattern of universal values." Publisher's note

Reviewed by Anne Fremantle

Commonweal 44:601 O 4 '46 380w

"William C. Williams, has collected the most delightful prose anecdotes about Paterson, some dating from the eighteenth and early nineteenth centuries. These are interleaved with comments of his own, which are chiefly characterized by varieties of lettering and punctuation." Anne Fremantle

Commonweal 44:601 O 4 '46 380w

"The ease with which Williams hauls his symbolic freight is to the credit of his prose. It is in his clean idiomatic manner (I assume he has written most of it himself, instead of actually taking it from local sources), and it fixes beforehand the objects, events, and meanings that the lines of poetry draw upon." Isaac Rosenfeld

Nation 163:216 Ag 24 '46 1000w

"This long poem, frequently interrupted by snippets of history, legend, and newspaper items, has moments both of success in the preciseness of his expression and of exasperating failure as Dr. Williams proceeds with his uncompromising poetic notations."

"The most valuable part of the book is its analysis of the hybrid nature of union leadership—the crusading idealists who later must become, when the union has won power and recognition, the businesslike negotiators. Then, too, the authors tackle the problem of how to combine efficiency with democratic controls when big unions face big business. There are one or two slips which the conscientious reader may note for correction. . . . Greater attention could well have been paid to the attempts on the part of our institutions of higher learning to the training of officers in administrative skills for collective bargaining. Nowhere in the book is it suggested that workers' education would help the rank and file to prevent the decay of internal democracy in the unions. The book, with its combination of past history and analysis of the present functions of trade unions, provides an effective antidote to the hysteria of current headlines which exaggerate labor-management trouble and friction." "A better and firmer piece of work than I Thought of Daisy [Book Review Digest 1929]. . . Partly that is because his style (no longer Proustian), his sense of construction and his judgment of persons have all developed in the intervening years; but also, like most American writers of our time, he seems more at home in stories. . . 'Ellen Terhune' is almost a very fine story, almost, I should say, on a level with the good later work of Henry James. . . 'Glimpses of Wilbur Flick' seems to me the weakest story in the book." Malcolm Cowley

+ New Repub 114:418 Mr 25 '46 1500w

"In reading 'Memoirs of Hecate County' one is compelled to use as best one can, the author's own standards. And by these, this is a good, a distinguished book." Ralph Bates

+ N Y Times p7 Mr 31 '46 1300w

"It might be said that the book would be less confusing to the ordinary reader if it had contained only the short novels which are to a considerable extent related and which are penetrated by Mr. Wilson's diabolic undertones. . . But a greater reward for the curious can be found in the longest of the novels, 'The Princess with the Golden Hair,' in which there are embedded some of the most frankly erotic passages that can be found in the modern writing that need not be sold under the counter. These amorous episodes, vaguely reminiscent of Frank Harris's autobiography, will doubtless be the subject of controversy for some time to come. . . As a social and literary critic, Mr. Wilson's opinions are founded on an almost puritanical morality, as you will see if you read 'Axel's Castle.' He is always clear and direct and absorbing even when he has taken the privilege of a free man to change his mind." Harrison Smith

Sat R of Lit 29:22 Mr 23 '46 1100w

"Such civilized writing and observation are rare in the U.S. nowadays, and on its merits *Memoirs of Hecate County* is 'pretty certainly the best contemporary chronicle, so far, of its place and period. Evil is as vivid through the book as a bushful of snakes.'"

+ Time 47:102 Mr 25 '46 1050w

"Although all the pieces have the style of the polished and subtle raconteur, the tone and subject matter vary from social reporting to fantasy. Consequently, the reader may at times find himself speculating upon the sources of Mr. Wilson's data instead of devoting himself to the book as a work of art. . . The Milhollands and Their Damned Soul is a knowing satire on the industrialization of publishing, and its ramifications in book selection clubs, book reviewing, and advertising. As a whole, the Memoirs satirize a relatively small but influential group who consider themselves an intellectual and cultural elite."

U S Quarterly Bk1 2:183 S '46 330w

"Book-Reviewer Wilson's satirical talents, ordinarily suave, break loose into the realm of savage caricature when he starts to talk shop. His story of the literary brothers Milholland will produce some very red ears along Publishers' Row. . . Less successful are two other stories in which the narrator tells us, he has 'carried so much of dreaming into real life . . . that I was not always quite sure which was which.' The reader may be in the same boat. . . The major episode of the Hecate County memoirs is 'The Princess With the Golden Hair,' which occupies about half the book and might easily have been published as an independent novel. . . For economic 'symbols,' Mr. Wilson's characters in this story exhibit unusual depth and development. Like the other stories, it is written with genuine style, and the author has thrown in a handsome tribute to Brooklyn and some of the most explicit love-making that has ever seen respectable print." WILSON, GODFREY, and WILSON, MONICA (HUNTER). Analysis of social change; based on observations in Central Africa. 177p \$2.25 Macmillan [7s 6d Cambridge]

309.168 Africa, Central—Social conditions [46-1115]

"Field workers in central Africa have written this little book telling the effects of civilization upon a primitive society to give a better understanding of social problems in any society." (Social Studies) Index.

"This book, by authors with extensive experience in the study of south and central African societies, will be of interest to the student of present-day society in Africa, but also to the anthropologist and the sociologist who are concerned with the theoretical aspects of acculturation. The colonial administrator who needs guidance in his daily dealings with native peoples who are becoming rapidly Europeanized will also find it of considerable use. The book is not and was not meant to be an exhaustive study of culture change; but it is a challenging attempt to correlate the details of field observation with current sociological theory and to systematize the study of social change. Those parts of the study which, like Chapters III and IV, deal with 'Social Elements' and 'Primitive and Civilized Society' and which outline the authors' approach regarding the construction of a 'scientific, that is, hypothetical' theory of society are not only abstract but often rather obtuse. . . Those parts of the book which are more directly related to the areas under investigation (Northern Rhodesia, Nyasaland, and the southwest sections of Tanganyika) appear to be better substantiated." WILSON, THOMAS GEORGE. Victorian doctor; being the life of Sir William Wilde; with 61 ill. by the author. 336p \$3.50 Fischer, L.B. [15s Methuen]

B or 92 Wilde, Sir William Robert Wills SG46-4

Biography of Sir William Wilde, father of Oscar Wilde. He was an eminent Dublin physician, who was also a statistician, archaeologist, and literary figure. At the age of forty-nine he was accused of rape in a libel suit, and altho the court decided against him, the damages were only one farthing. The trial, however, practically terminated his fame as a doctor. The author, who is also a Dublin doctor, stresses the earlier more famous years of Wilde's life. Bibliography. Index.

Nation 163:133 Ag 3 '46 210w

"Dr. Wilson has written an engaging biography with an affectionate regard for Victorian Dublin."

+ New Repub 114:813 Je 3 '46 150w

"Where many a writer might have stuck tightly to the main line, Mr. Wilson has rambled enough to take in curious, entertaining fact. In writing about Wilde he is telling us a good bit about himself. I find this both satisfactory and pleasing. There are omissions in 'Victorian Doctor' which perhaps severer critics might consider flaws. There is very little consideration of Wilde as Oscar Wilde's parent, the passion for psychological explanation is missing. The answer to this is simple. Mr. Wilson did not set out to write about William Wilde with Oscar lurking in the background as the real underlying reason. . . Whether William Wilde is important or not, I must say that I found 'Victorian Doctor' entertaining, readable, and a most acceptable variant to the ever-present historical novel." D. C. Russell

+ N Y Times p6 Je 16 '46 900w

"Dr. Wilson has written a fine biography of a man almost unknown to history. More than the story of a personality, 'Victorian Doctor' is rich with references to sixty years of Ireland's cultural and physical life. It is smooth and pleasant reading." M. Sargent

+ San Francisco Chronicle p19 Jl 14 '46 600w

"Perhaps the best background for the understanding of the social and domestic forces that produced Oscar Wilde is T. G. Wilson's study

of Wilde's father 'Victorian Doctor.' As far as I know this is the only unbiased picture of Sir William Wilde and his wife, the Italian-Irish authoress Speranza, to see print. It is not only a fine character analysis which gives its principals the foreground, but it also paints a vivid backdrop of literary Dublin, Irish political dissension and strife, and medical and archeological developments of the period." J. C. S. Wilson

+ Sat R of Lit 29:7 J1 20 '46 900w

"T. G. Wilson, himself a prominent Dublin doctor, tells the story well, in reasonably dispassionate if sometimes long-winded detail."

+ — Time 47:102 My 27 '46 900w

"In T. G. Wilson's 'Victorian Doctor: Being the Life and Times of Sir William Wilde,' the story of one of these distinguished medical men of letters is set down by an author who, though he has nothing to say about himself in this volume, belongs notably in the same category, and, since it is filled with the rich and flavorful details of men and events in the tormented Ireland of the mid-nineteenth century, the tale is an absorbing one. . . . To be entirely personal, because when I was representing the United States Office of War Information in Dublin in 1942-'43, Tom Wilson was so outspokenly a friend of our side, I am happy that his book is being published here and that it is a good one." WIMSATT, GENEVIEVE BLANCHE. Well of fragrant waters. 102p \$2.50 Luce, J.W.

B or 92 Hung Tu

46-1897

"A sketch of the life and poems of Hung Tu (Hsuen T'ao). The heroine of the volume, born in Chang-an in the latter part of the eighth century, spent most of her life in Cheng-tu as the resident hostess and courtesan of

eleven successive governors of the district. Here she 'poured the wine' to the satisfaction of the governors, the visiting envoys, and state guests. She exchanged verses and harmonized lyrics with the leading poets and officials of the dynasty. Here, too, according to literary legend, centuries after she had been buried, did she return to write her most passionate poem and enjoy her most 'transcendent romance' with the tutor of Tien Chu. This is not a critical work but rather an appreciative introduction to the most romantic of the five greatest poetesses of China and to her songs and poems." Crozer Q

"The biography is related with charm. The running commentary is clear, illuminating many obscure references. The translations are graceful, and all the more so when one realizes the rhymed quatrain of the original has been preserved. The format of the book is fittingly in harmony with the artistry of the heroine of the volume. The author has stood by the well from which Hung Tu drew the water used in making her later poem-pages. From this well—said to be still fragrant from the permeation of genius—Miss Wimsatt has served a delightful draught which refreshes the soul of any who will spend a few hours with the 'wine-pouring, song-singing lady of Shu.'" WOFFORD, HARRIS. It's up to us; federal world government in our time. 146p \$2 Harcourt

321.021 Student federalists. Inter-democracy federal union (proposed) 46-4998

The founder of the Student federalist movement presents the story of the beginnings and aims of that organization, which is American youth's answer to the problems facing the United Nations.

"[Mr. Wofford's] narrative of his organizing and crusading is the most useful part of his book, for it records with freshness, zest, and sincerity how some young Americans react to international disorder and how they try to organize in behalf of their convictions. Although he shows understanding of the legal bases of international organization, he offers nothing new or brilliant. A reader should seek out this small book as a guide to the thinking of many younger Americans and as a method of restoring his ideals." Garland Downum

WOLFF, MARTIN. Private international law. 637p \$10 (35s) Oxford

341.5 International law, Private 45-5592

"Professor Wolff had already made a reputation by his book, Internationales Privatrecht (1933). This was a treatment of the fundamental problems of Conflict of Laws and of the German Law of Conflicts. The work under review is, in the author's own words, neither a translation nor a second edition of his German book; it is a new work, a great treatise on English Conflict of Laws. It is, nevertheless, in its handling of the subject very different from the recent standard work on the same subject by Dr. S. C. Cheshire (1936, 2nd ed., 1938). Wolff's book is equally based on a full use of English decisions in the field. . . But what makes the book different is the author's wide knowledge of Continental laws, decisions, and literature.

The law of this country is not forgotten, but is mostly represented only by the American 'Restatement' and by general American literature in the field, not by American court decisions." Am Pol Sci R

"The book deserves most careful reading and study. There can be no doubt that it is a work of the greatest importance in the field of English private international law. But it has also a claim to become a standard work in the international literature on the subject. It goes without saying that it is of equal importance for the American lawyer and scholar concerned with Conflict of Laws." J. L. Kunz

+ Am Pol Sci R 40:985 O '46 800w

"Mr. Wolff has long been known in the professional world as one of the most brilliant writers on the intricate problems of private international law. . . The new book—which in the words of the author 'covers different ground and is neither a translation nor a second edition of the earlier German study'—is equally clear in exposition, penetrating in analysis of cases, and trail-blazing in the fields yet untouched by judicial decision. The author's knowledge of continental law permits him to conjure new situations for testing the validity and the limitations of English rules on conflict of laws and provides him with material for filling the gaps in existing law." L. B. Sohn

+ Columbia Law R 45:981 N '46 1350w

"No matter whether you agree or disagree with specific solutions advocated by Dr. Wolff, he presents his materials in a manner which stimulates thought and often throws new light on an old controversy." M. M. Schoch

'46 300w**WOOD, MORRISON.** Devil is a lonely man.
497p \$3 Crowell

46-6028

"Representing a real tragedy of the recent war (author died of dysentery in a Japanese prison and manuscript came out of Bataan on one of the last boats), this is a first and unfortunately only novel of a major talent. Lacking in discipline and selection, like the writings of Thomas Wolfe this is a tremendous outburst of creative ability that will say many things to many readers on many levels. On the surface, a story of revolution in the postwar U.S.; basically a consideration of the nature and expressions of good and evil through the life of Anthony Wayne who wanted to hold everybody and everything in the palm of his hand." Library J

"According to the author, he had some wonderful material at hand for this work; apparently Morrison Wood was convinced that most of the people of California were bestial and degenerate. But the picture is so overdrawn as to defeat its purpose, and the conclusion so ridiculous as to tempt the reader to doubt the author's seriousness. But the belief persists that he was in earnest. It is a pity that his work remains muddy and confused." L. A. S.

— Christian Science Monitor p12 S 24 '46
380w

"This—Morrison Wood's only surviving work—has originality; it has impact; it has moments of superb writing. But the average reader will find the style difficult, the plot too diffuse to hold, the multiplicity of characters confusing, and the unrelieved abnormalities, unpleasantness, perversions, sordid when spread in such wholesale fashion over 500 pages."

+ — Kirkus 14:329 J1 15 '46 340w

"I can offer no rule of thumb to cover library use of this book. It is important but it is also full of horror. It will be loudly praised and roundly damned. Either way, it remains of great importance." R. E. Kingery

Library J 71:1207 S 15 '46 140w

"The sequences at Los Angeles High School, where Morrison Wood himself went, are the most realistic in the book, and probably provide the key to its development. . . . Partly through its very elaboration and partly through the personality of the author, 'The Devil Is a Lonely Man' keeps being more than adolescent fantasy or the enervating commercialized day-dreaming that dominates American popular culture. Amidst the conventional intensities of wish and melodrama, there are, on the one hand, wonderfully fabulous imaginings, and, on the other, frequent flashes of reality. And underneath their romantic surfaces and the loose, hasty prose in which they are described, the widely varied relationships of men and women have remarkable definition and show remarkable understanding of sexual dialectic." R. G. Davis

+ — N Y Times p6 S 22 '46 800w

"I finished Mr. Wood's book with the feeling that he was a writer who almost desperately wanted to produce a literary work of art. I think he missed the center of his target, but it is not impossible that he nicked its outer edge. It is useless to speculate about what he might have done next time, and it is rather a tragedy that he won't be able to have another try." Hamilton Basso

New Yorker 22:115 S 21 '46 400w

"Crowell's editor, Arthur Wang, cut some 150,000 words from the book, which is still long enough so that many a reader will find it difficult to maintain the high-keyed receptivity which the novel demands. Others will be put off by the story's construction which involves a shuttling back and forth in time that is frequently confusing. . . . And sometimes Wood's writing is just plain bad, though the average level is good enough. With all this, however, it remains clear that Wood had imagination, force, the drive and eagerness to get something said out of which novelists are made." J. H. Jackson

+ — San Francisco Chronicle p14 S 23 '46
700w

"The book is alive with character and movement; it storms eagerly in every direction to discover the varieties of experience with a very young fervor. But yet at the heart of it, tarnishing everything, is the worship of mindless conquest, of the ruthless Hero. Whether this is first thought or last, we shall never know." N. L. Rothman

+ — Sat R of Lit 29:28 O 5 '46 320w

"'The Devil Is a Lonely Man' is a great, sprawling, amorphous book, quickened at times by a truly creative imagination, swarming with characters, packed with enough situations, if each were adequately developed, to make at least half a dozen novels. It is as if the author, who unquestionably possessed exceptional gifts for absorbing experience, had attempted to put all he had felt and seen and heard of life in this one book, warned by some foreknowledge that it would be his only one. . . . 'The Devil Is a Lonely Man' must stand or fall on its own. And with all its faults, which include flagrant lapses in the matter of plausibility, its imaginative sweep is so wide, it is so charged with emotional intensity and raw strength, that reading it becomes a curiously moving experience not soon to be forgotten." Jennings Rice

+ — Weekly Book Review p4 S 22 '46 800w

WOODBURY, DAVID OAKES. Builders for battle; introd. by B. Moreell. 415p il \$7.50
Dutton

940.542 Air bases, Military. World war, 1939-1945—Engineering and construction.
World war, 1939-1945—Islands of the Pacific
46-5062

Story of the building of our Pacific naval air bases in the last two pre-war years. Included in the account are the work of the Seabees on so many construction jobs, the blasting of coral heads, the building of the supply tunnel at Red Hill, building airfields, and getting millions of tons of supplies thru. Index.

"Magnificent story of construction outfits and the key men directed by Admiral Ben Moreell, told with human understanding. Holocaust at Pearl Harbor and skilled emergency work of the 'builders for battle' is graphically described. . . Recommended." L. A. Eales
+ Library J 71:757 My 15 '46 140w

"When sincere, deserved praise is turned into extravagant adulation a disservice is done the recipients. That is exactly the fault with David Woodbury's account. . . Anyone who knows the bases and how they were built appreciates a truly splendid performance on the part of thousands. Planning and achievement were of the highest order. But the builders were not supermen, not miracle workers; they were competent and skilled engineers who knew their jobs. . . It is with pleasure that one turns from the text to the illustrations. Twenty-five full-page pencil drawings by Lilli Rethi and some fifty pen-and-ink sketches by Louis Ruyi are beautifully done, displaying scope, vision and craftsmanship rarely found in a book on construction. They will long be treasured by men who worked on the bases." P. J. Searles

WOODGATE, MILDRED VIOLET. Pascal and his sister Jacqueline [Eng title: Jacqueline Pascal and her brother]. 207p \$2 Herder [7s 6d Browne & Nolan]

B or 92 Pascal, Blaise. Pascal, Jacqueline
46-10246

"No interpretation of the theology of Blaise Pascal would be complete without recognition of the influence exerted by his younger sister, Jacqueline. From the start an egotist, her early reactions to religion were that its practices could not be accepted by intelligent minds. At Twenty-two, Blaise embraced the tenets of Port Royal, and would not rest until his beloved sister shared his views. This she did to such an extent that eventually, she became a nun at Port Royal. To Jacqueline, intelligent, sincere, Port Royal and its doctrines contained the truth of Christianity, and therein lay her ultimate tragedy. For while the brilliance of Blaise could find peace at last in the Catholic Church that flourished outside the walls of Port Royal, Jacqueline could not. And it may be said with some truth that she died of a broken heart." Cath World

"With sympathy and understanding, Miss Woodgate has repeated the drama of this vital, vivid brother and sister. She has presented too a portrait of Port Royal that is the more poignant because it never loses sight of the inherent introspection and ultimate heresy of the vigorous, gifted, misguided followers of Jansen." Library J 71:1543 N 1 '46 30w

"A book worth reading and then picking up again and again. . . This book is the history of a balanced, sensitive, and imaginative mind. It is a mind aware of beauty and of goodness, of forces and of individuals, and of the many kinds of truth that cannot be found out by reason alone. Most men edge away from revealing the deeper workings of their minds; they defer more than they realize to current opinions. Woodward is so honest that he must state precisely how he felt and thought, how he feels and thinks. His careful words will long be read by those interested in the intellectual history of our time." WOOTTON, BARBARA FRANCES (ADAM) (MRS GEORGE PERCIVAL WRIGHT). Freedom under planning. 180p \$2 Univ. of N.C. press [6s Allen, G]

338.91 Economic policy 45-9884

For descriptive note see Annual for 1945.

Reviewed by C. E. Merriam
Am Pol Sci R 40:133 F '46 750w

"Miss Wootton's analysis is realistic and socially intelligent. Most sociologists will feel that she 'talks their language' even though she never mentions their name. To implement her idea of planning, she suggests techniques and concepts that have been developed by sociologists and social psychologists as well as those which are more familiar to economists. She has a gift for simple, clear, and interesting exposition of matters usually regarded as dull and abstruse." Read Bain

+ Am Soc R 11:272 D '46 950w

"This temperate book is a welcome relief to much of the doctrinaire literature of recent years. Mrs. Wootton defines her terms sensibly and shows that such things as freedom and planning have many facets and that, not all of their values are of the same magnitude."

+ Foreign Affairs 24:552 Ap '46 110w

"This is an excellent little book—honest, courageous, logical, thorough, and admirably written. Mrs. Wootton neither underestimates her opponents case nor tries to make glibness and rhetoric do duty for argument. She faces squarely the very important problem: can we plan and keep the essential freedoms? Her answer is yes, if we go the right way about it." Eugene Forsey

+ Nation 163:622 N 30 '46 900w

"Miss Wootton sets out admittedly to criticize the main tenets of Hayek's Road to Serfdom. Coming from a well-known English economist, this makes Freedom Under Planning a significant volume. The fact that it is keenly reasoned, closely organized, and concisely stated renders it doubly important." G. W. Blackwell

Social Forces 24:464 My '46 1400w

"This slim volume is a masterpiece of lucid pamphleteering. Its merit is greater than that of being 'an answer to Hayek's 'Road to Serfdom.' It is a calm, reasonable exposition of the relation of planning—defined as 'the conscious and deliberate choice of economic priorities by some public authority'—to a series of freedoms that all of us cherish as basic: which would be enhanced, which would be little affected, which would be compromised. It should be particularly helpful to that friend of yours who still believes that planning must be 'totalitarian.' If a person can be expected to modify his prejudices by reasonable argument, this is the book to do it. For Mrs. Wootton never forgets that she is treating of human desires and human satisfactions and she has a humility that evokes humility from the reader. . . [Mrs Wootton's] reasoning is tight but not difficult to follow. Her style is sparkling. Her book is full of common sense." C. S. Ascher

+ Survey G 35:134 Ap '46 500w

"The particular excellence of this book is that it successfully explores the positive content of freedom in a planned society. Most recent answers to Hayek have been essentially negative, concerned primarily with expounding the logical, historical, economic or political absurdities of the anti-planning position. However, demolishing a false view does not establish truth. It merely clears the ground. Mrs. Wootton goes beyond this negativism. She builds a sturdy framework for a free society that can plan and work for economic plenty. In the process both the limitations on freedom planning requires and the new vistas for freedom it unfolds are plainly revealed." Leo Barnes

WORTHINGTON, MARJORIE (MUIR) (MRS WILLIAM BUEHLER SEABROOK) House on the park. 327p \$2.75 Doubleday 46-6909

Period piece, the scene of which is New York's Mount Morris park region in the early 1900's. There are two heroines, the Oberdunk sisters. Daisy was slim and delicate, a typical "lady"; Maude was buxom and bursting with life. Maude should have married the gallant Gus, but it was Daisy he chose, and that set off the train of events.

"Tones of validity in the characters, detailed as to setting, this is solid, brownstone front reading."

+ Kirkus 14:330 J1 15 '46 170w

"Miss Worthington keeps her melodrama moving and one is always conscious of the authenticity of the background, even when the excess bric-a-brac threatens to trip the characters. . . If you'll sacrifice emotion for sensation and full-depth characterizations for surface types, this is your book." Anne Richards

+ N Y Times p14 S 22 '46 360w

"The book is nearly three-fifths interior decoration, but you will probably find it very agreeable reading all the same."

+ New Yorker 22:100 S 28 '46 90w

"It is a good story, though the background and the minor incidents seem to have more authenticity and reality than the chief characters. It's like a movie excellently directed and with all the properties absolutely correct, but in which the actors lack a certain depth and breadth of characterization. . . But I am cavilling at a book which I enjoyed heartily. It has lightness, charm, and an unobtrusive, kindly satire. It is a glimpse of a vanished America and those readers in particular who grew up in the plush and gas-light era . . . when eggs were twenty-five cents a dozen, will find its nostalgic flavor very appealing indeed." S. H. Hay

+ Sat R of Lit 29:20 O 26 '46 650w

"To any one who remembers New York in the early 1900s, Marjorie Worthington's new novel, 'The House on the Park,' will bring back memories of that gaslight era of simple charm and color. To those who cannot recall it her book will be a highly enjoyable adventure into the city's age of innocence. In a style excellently wedded to her material, she writes of the time when men had an appraising eye for horses and highly corseted women, when sophistication was limited to a daring few. . . Miss Worthington tells a simple and moving story and peoples it with warm and living characters. The period comes alive in every page of the book." Rose Feld

WRIGHT, JOHN LLOYD. My father who is on earth. 195p il \$3.50 Putnam 46-2112

B or 92 Wright, Frank Lloyd

Rambling, unconventional reminiscences by the son of a famous father, set down in an attempt to produce "an unconventional portrait of an unconventional man."

"This is an anecdotal reminiscence of America's chief living genius by his son—short, unconventional, amusing and on the whole revealing." Lloyd Lewis

+ Book Week p4 Mr 31 '46 700w

Reviewed by Howard Devree

— N Y Times p40 Mr 24 '46 360w

"This is simply a garland of fleeting, and quite misty, impressions. There is a portrait of a man somewhere in these talky pages, but whether the egocentric, magnetic, frenetic, and erratic character, half sage, half satyr, with which we are presented is Frank Lloyd Wright is hard to tell. The author is, furthermore, given to coy conceits of style that do not help his project."

New Yorker 22:119 Ap 13 '46 90w

"There is ample material for a book in the life of Frank Lloyd Wright. This particular one is a collection of first-hand notes that appear to go no deeper than the surface. The reader will enjoy the anecdotes and be amused at some of the recollections, but he will not get a glimpse of the real character. Frank Lloyd Wright is more than something to shoot barbs at. It seems a pity that the son should have found it necessary to concentrate on minor matters and have failed to use his unusual opportunities to present to us details in the life of his father that would eventually have helped in realizing a true picture of a great man." E. J. Kahn

— + Sat R of Lit 29:52 Ap 13 '46 700w

"One would dismiss this entire volume with a raised eyebrow at its ridiculous and tasteless title but for the fact that, whether consciously or not, it manages to throw ridicule on a man of very great talent. It is quite possible that Wright was something of a problem-father, and it is believable that he was difficult about money when his son worked with him as his apprentice, but there is something in the undertone of the account given here of the relationship between the two men which suggests disturbingly a need on the part of the younger one to have his own back publicly, at this rather late date. One would doubt whether the man whom the author refers to as 'Dad the Papa' will entirely relish the portrayal, and certainly his host of admirers will not." Iris Barry

YARWOOD, J. High vacuum technique: theory, practice, industrial applications and properties of materials. 2d ed 140p il \$2.75 Wiley [12s 6d Chapman]

533 Vacuum [45-10459]

"Printed in Great Britain in 1945. This work has been expanded some thirty pages over the first edition published in 1943. The new material deals with the performance of vacuum pumps, the construction of vacuum systems, pumping speeds, and developments in the measuring of low pressures. The bibliography, which has been increased to six and a half pages, is a comprehensive list of the more important papers on vacuum practice." N Y New Tech Bks

"It is a pleasure to open this neat little book and find on every page a concise formula or table or a well-drawn illustration. In 129 pages of text the author describes all the better-known vacuum pumps and gages and provides an excellent chapter on pump speeds and another on 'The Properties of Materials Important in Vacuum Technique.' He attempts with moderate success a chapter on high vacuum in industry. Here, as elsewhere in the book, scientific, technical and trade names are intermingled freely." K. C. D. Hickman

N Y New Tech Bks 31:50 JI '46

San Francisco Chronicle p16 Ag 4 '46
50w

"The book presents the weather as a fine excuse to make a whole series of elaborate meteorological instruments—remote control thermometers, barometers that use mineral oil, electrical weather vanes that use distributors, and gasoline gauges from ancient automobiles, not to mention gramme rings and wheatstone bridges and what not. All of which has its place, no doubt. The present reviewer, however, makes the weather his hobby. The nearest chimney offers an excellent weather vane, and the daily weather map gives twenty times the information on the weather that Mr. Yates's instruments do. The sketchy sections devoted to the weather itself in the book are, as might be expected, mere lip service to the title, and, aside from being inadequate, are often inaccurate or ambiguous." E. T. YEATS, JOHN BUTLER. J. B. Yeats letters to his son, W. B. Yeats, and others, 1869-1922; ed. with a memoir by Joseph Hone; pref. by Oliver Elton. 304p il \$4 Dutton

B or 92

46-6688

Letters written over a period of nearly fifty years by the father of William Butler Yeats, to his famous son and others. They provide a picture of life in Ireland during the years 1869-1922. Index.

"These letters are so stimulating that one sits, pencil in hand, making frequent underlinings. They are the observations of a good man, a sound artist and critic, a rich mind, a responsive heart. And the style almost brings back the living voice of an eager conversationalist." Robert Hilary

+ Atlantic 178:182 D '46 600w

Reviewed by Kenneth Rockwell

Book Week p3 O 20 '46 320w

"The period covered by the letters saw the flowering of the Anglo-Irish literary movement of which William Butler Yeats was one of the chief figures, and their publication is therefore of great importance. But one finishes reading the book with the feeling that it has another and equally strong claim for attention, the self-portrait it paints of John Butler Yeats himself. Aged but never old, scornful of ambition, optimistic, witty, wise, he is a delightful and lovable personality. . . One must admit that he had a bias against the Catholic Church, particularly the Irish Catholic, which is hardly understandable in a person who once had leanings towards it but . . . certainly this attitude should not keep any Catholic from reading his book." Helen Landreth

+ Cath World 164:276 D '46 600w

"There is a good deal of outright embarrassing philosophical confusion in these letters—Yeats was hardly a success as a systematic critic—but the delightful intimacy of his style and the consistent excellence of his taste would recommend them to anyone who is like Yeats in loving literature for its own sake." Jacob Bean

YERBY, FRANK G. Foxes of Harrow. 534p \$3 Dial press

46-25030

Romance, historical detail, and a handsome robust hero, are combined in this novel of

YERBY, F. G.—Continued

Louisiana from 1825 to Civil war days. In it Stephen Fox rises from poverty to great wealth, establishes a vast plantation with a forty-room mansion, and founds a family. But in the end the great house at Harrow is in ruins, and Stephen in his old age is thinking "I will have to begin again."

"Actually, Frank Yerby has peculiar qualifications for the kind of story with which he has elected to make his literary bow—a flair for color, an air of easy abandon, the ability to live in the moment and to create characters that live in the moment, a touch of very elementary magic. The chances are that if he keeps at it he will bring new blood and a flush of new vitality to a slightly worn and inbred form of story-telling." Arna Bontemps
Book Week p1 F 10 '46 1250w

Booklist 42:214 Mr 1 '46

"If anything, there is too much material in the book, but it is well managed, with a breathless but lucid rapidity in the action. It could not have been hard to find the material; for, in essence, it is stock of many a Southern novel. But intimate knowledge of the locale and a study of the times have been employed in the use of it; together with imagination, the ability to create clearly defined characters, a lush, full-bodied style; and, quite naturally, considering Stephen Fox, more than a touch of melodrama." W. K. R.

— Christian Science Monitor p14 F 16 '46 650w

Kirkus 14:19 Ja 15 '46 110w

"A lot of history is used as cement. Popular in appeal." M. H. McElfresh

Library J 71:281 F 15 '46 90w

"Here is a good, old-fashioned, obese historical novel of the Old South that seems, more than once, to be haunted by the affluent ghost of Scarlett O'Hara. . . . Frank Yerby, who won an O. Henry Memorial Award for a short story last year, is a former student at Fisk University. In this, his first novel, one might have hoped for the ideological intensity of, say, Howard Fast's 'Freedom Road,' and, indeed, there are some sympathetic evidences of the Negro's deep resentment against slavery. Mr. Yerby has chosen, however, to concentrate on a conventional historical narrative of passionate amours and gentlemanly swordplay." Richard Match

N Y Times p8 F 10 '46 320w

"Mr. Yerby has packed everything in—passion, politics, Creole society, sex, the clash of races, and war—but he never captures the faintest flutter of the breath of life."

New Yorker 21:96 F 9 '46 120w

"The book rings throughout with colorful passions and the words to match. It is not a historical novel—for that must have some reality in it—but it is a good example of the technicolored fantasies that have been passing as such of late." N. L. Rothman

Sat R of Lit 29:38 F 23 '46 320w

"Mr. Yerby's writing often has color and his book does move; he can do a scene that crackles, when he sets his mind to it. One difficulty is that he has crammed in so much plot that he seems never able to do a real development of his people or his theme. . . . This first novel indicates that Mr. Yerby has talent, a way with words. He needs, primarily, restraint—a firmer hand on the reins, or at least an editor with decision and a ready blue-pencil for the overflamboyant. It may not be the author's fault that the book is badly proofread and replete with unorthodox punctuation." H. T. Kane

Weekly Book Review p8 F 24 '46 550w

YINGER, JOHN MILTON. Religion in the struggle for power: a study in the sociology of religion. 275p \$3 Duke Univ. press [16s 6d Cambridge]

261 Religion and sociology. Church and social problems 46-3047

"A scholarly treatment of the sociology of religion (the extent to which organized Christianity has changed society and vice versa) full of well-documented quotations and annotations,

and followed by a bibliography of some two hundred titles. Chronological in arrangement, beginning with the Reformation, continuing with first the rise of capitalism and then the economic ethics of contemporary churches, an entire additional chapter being devoted to the church in two World Wars." (Library J) Bibliography. Index.

"For the most part, the book is objective and with no marked bias. However, there are no startling or remarkable conclusions. . . . But occasionally the picture is presented as if it were the world on the one side versus the church and religion on the other. That makes for clear reading, but does not help us to understand the essential relations in the interaction pattern, the deep underlying conflicts within the institutions and personalities involved. However, this book is worth while, and has brought together in synthesis a great deal of excellent material." R. H. Abrams

— Ann Am Acad 246:166 Jl '46 500w

"The title of this book should properly be, 'The Western Church in the Struggle for Power,' for the author concerns himself almost exclusively with the Roman Catholic Church and with Protestantism. The Eastern Orthodox church which claims a goodly quarter of the total of Christians in the world, is only briefly mentioned and then only in passing. This criticism in no wise affects this reviewer's general judgment that we have here an excellent study in the sociology of religion, done with meticulous care and devoted scholarship and projected in highly readable style. . . . The professional sociologist will, I believe, find this study a little masterpiece in its particular genre, and the busy parish parson will want to give it a place of honor on his shelf and to consult it often." K. M. Chworowsky

— Christian Century 63:1341 N 6 '46 700w

"Of only limited appeal in a small or general library, especially because of the theological and philosophical concepts used in the two chapters which precede the actual presentation of the author's thesis." L. R. Miller

YOUNG, CLARENCE BERNARD FEHLER, and COONS, KENNETH WILLIAM. Surface active agents; theoretical aspects and applications. 381p il \$6 Chemical pub. co.

660.153 Surface tension. Chemistry, Technical 46-427

"This book was written to present information as to origin, effects and utilization of surface tension phenomena in a diversity of industrial fields. Part I is devoted to a discussion of the theory of surface tension, its determination and the structure of wetting agents and specific surface tension agents. Part II covers such topics as emulsions, metal cleaning, cosmetics, leather, flotation, inks, textiles, cutting oils, adhesives, foods, lubrication and soldering." Am Chem Soc J

"This rather high-priced book may be of value to someone who wants to get a quick survey of the fields discussed, but anyone who is interested in their fundamentals will not get what he has been looking for." E. A. Hauser

Am Chem Soc J 68:538 Mr '46 330w

"A substantial amount of the material is taken verbatim from other textbooks and published articles readily available. It is to be regretted that the authors used more space in this book describing the various methods of measurement of surface tension, including some unorthodox ones, than in presenting the *modus operandi* of surface-active agents. . . There are many formulas given throughout the various chapters dealing with the use of surface-active agents in the specific industries. However, these formulas have only limited value. . . While the above may sound critical, there are corresponding good points to balance them. The list of surface-active agents is the most complete and up-to-date list the writer knows of. . . This is the first book that has attempted to put this all together and, in spite of omissions, it is a worthwhile addition to anyone's chemical library." W. H. Stahl

+ Chem & Eng N 24:982 Ap 10 '46 450w

"Chief merits of the book lie in the fact that considerable material has been assembled and is presented on a subject of ever-growing importance. The few typographical errors are merely disconcerting. Some aspects are over-emphasized while others are slighted. There should have been some discussion of the soap industry. On the whole, however, workers among the hydrophilic and hydrophobic groups cannot afford to overlook the possibility that the book may contain a suggestion or key to solve a perplexing problem."

YOUNG, FRANCIS BRETT. The Island. 451p \$3.50 Farrar, Straus [12s 6d; ltd ed 25s Heinemann]

821 Great Britain—History—Poetry 46-22524

Long narrative poem, or collection of poems, describing the evolution of England from the geological convulsions of her birth, to the present.

"It, like 'Poly-Olbion,' is a work of love, patience and learning; it is organized with all the skill that a trained novelist can muster; it is an interesting, slanted history of England, and but for some passages of sweetness, it is hardly poetry at all." Leo Kennedy

+ Book Week p7 D 29 '46 240w

Reviewed by Basil de Selincourt
Manchester Guardian p3 D 6 '44 470w

Reviewed by Stephen Spender
New Statesman & Nation 29:29 Ja 13 '45 240w

"To actualize England's geological birth, Mr. Young has used the epic style; ballad to tell us her legends; monologue or dialogue for the more dramatic historical scenes, and lyrics to express the moods of the countryside. More, over, the author has cleverly put most of his monologues and dialogues into the mouths of soldiers, or country folk commenting upon the immediate events of history, and has thus given us that history and the native character at the same time. But, in spite of this amalgamation, the book is much too long. Mr. Young has expressed the important aspects of England, but he has not been sufficiently selective: the effect of one passage is lost amid the indiscriminate multitude of others." Mary-Barbara Kauffman

+ N Y Times p30 N 24 '46 650w

"I shall be surprised if The Island finds much favour among our younger intellectuals, a deprivation which I fancy Mr. Brett Young will bear with equanimity. I doubt if it will find much favour either among the seekers after 'pure poetry,' whatever that may mean. But among the simpler and less sophisticated souls (and I write this with no sarcastic intent) it may well find very great favour indeed. I hope especially that it may attract the notice of the B.B.C., since the more stirring or emotional passages are perfectly adapted to decoy those listeners who think they 'do not like poetry,' or who consent to like poetry only when quite sure that they know what it is about." V. Sackville-West

Spec 173:510 D 1 '44 700w

Times [London] Lit Sup p592 D 9 '44 1200w

"While 'The Island' is conceived on a vast scale, the execution falls unhappily short of full realization. . . There are echoes of such diverse poets as Coleridge and Pope; there are interludes that sing, in the summer of Spenser and Milton and Wordsworth, of England's rivers, her flowers, and her 'names on the land.' Yet the verse and the vision are finally confined, ironically, by the very limitations of which Mr. Young is most proud—the insular limitations shared by Britain and the British imagination. 'The Island,' like the Island, is honest, fair, energetic, virtuous; it is also frequently pedestrian, dull, sentimental, smug." Hiram Haydn

ZACHARIAS, ELLIS MARK. Secret missions; the story of an intelligence officer. 433p \$3.75 Putnam

940.548673 Secret service—U.S. World war. 1939-1945—Secret service 46-8310

"In 1920, Captain Zacharias, U.S.N., went to Japan for the express purpose of learning as much as possible about the Japanese people and of learning the Japanese language. Assigned to Naval intelligence for 25 years he tells of spies and counterspies, elucidates the breaking of the Japanese 'winds' code, and describes the psychological warfare of propaganda broadcasts. Much of the book reads like an adventure story." (Booklist) Index.

"Like all men who believe strongly in a cause, Zacharias probably goes overboard in

his estimates of the importance of intelligence and psychological warfare. . . He makes no mention of F.E.L.O., which waged psychological warfare against Japan in the Southwest Pacific. He gives only passing mention to the OWI-PW combat team which did a lot of important pioneering in Burma. He ignores the very fine basic plans for psychological warfare against Japan which were conceived and put into effect by Brig. Gen. Bonner Fellers on MacArthur's staff. But Zacharias has written what is undoubtedly the best account of the means by which the U.S. Navy gradually acquired an intelligence service and the use it made, often against its will, of that service. It is the finest factual story yet to come out of the war of how psychology can be used, as well as brute force, in forcing an enemy to capitulate." F. S. Marquardt

+ Book Week pl D 22 '46 850w

ZARA, LOUIS. Ruth Middleton. 435p \$3 Creative age

46-4176

Long biographical novel about an ordinary, middle class girl, born in a midwestern city in 1887. The book begins literally with Ruth Middleton's conception and charts her course of life up to the dawn of her young womanhood. In telling Ruth's story, the author also gives a picture of the social life and customs of that time.

"Louis Zara's latest book is a novel, but I prefer to consider it as an especially fine biography. To me, this is very near the highest possible praise for a work of fiction." Harry Barnard

ZHABOTINSKII, VLADIMIR EVGEN'EVICH. Story of the Jewish Legion; tr. by Samuel Katz; with a foreword by John Henry Patterson. 191p \$3 Ackerman

940.415 Great Britain. Army. Jewish legion. European war, 1914-1918—Jews 46-1925

Reminiscences of Vladimir Jabotinsky, one of the founders and officers of the Jewish Legion, which fought with the British in Turkey during World war I. It is also the story of the Legion and of the author's contribution to it. Glossary. Index.

"The Story of the Jewish Legion' is an interesting historical document in spite of its polemic character of the I-told-you-so variety. It tells a story of a fight against the lack of understanding on the part of the British, and cowardice on the part of certain Jewish circles who feared the idea of a Jewish army as a threat to their policy of assimilation. . . . In view of the events in World War II Jabotinsky's book becomes very timely. It shows that facts change rapidly, but attitudes linger much longer." Mendel Kochanski

ZILLIACUS, KODNE. Mirror of the past; a history of secret diplomacy; with an introd. by Max Lerner. 362p \$3.75 Current bks. [7s 6d Gollancz]

940.31 European war, 1914-1918—Causes. League of nations. War politics 46-8256

"Max Lerner has written the introduction to this thesis that secret diplomacy, concomitant of capitalist-imperialist foreign policies, leads inevitably to war. Based on British practice as characteristic. Declares that lack of international organization made possible unmoral secret diplomacy which caused drift into World War I and its prolongation while attempts were made to head off Russian Revolution. Shows that upsurge of democracy forced organization of League of Nations against wishes of imperialists, who then tried in vain to rebuild old system, and thus wrecked the League, reverting to international anarchy and power politics, ending in World War II." ZIMMER, HEINRICH ROBERT. Myths and symbols in Indian art and civilization; ed. by Joseph Campbell. 248p pl \$4.50 Pantheon bks.

294 Mythology, Indic, Art and mythology. Symbolism. India—Civilization 46-7144

The author, a student of the religion and art of India, here interprets the legends, myths, and folktales of India for the occidental. This is the first of Dr Zimmer's works to be published in English. It is based on a series of lectures given at Columbia during 1942. After the author's death, the work was put in shape by Mr Joseph Campbell, with some assistance from Dr Ananda Coomaraswamy. Index.

"Indian philosophy is set forth by the author in a series of delightful tales that, in spite of their dread significance, offer the most fascinatingly fanciful and gruesome bedtime stories. They are literally not of this world. Dr. Coomaraswamy's footnotes to the volume give sufficient proof of its authenticity. . . But the volume has a weakness for which the author should not, probably, be held responsible. The many illustrations, which are well chosen for subject matter, are very poorly reproduced and in many cases from bad originals. As most of them are well known to students of Indian art through photographs and reproductions, there is no excuse for this travesty on the quality of Indian art." C. F. Kelley

+ Book Week p11 S 8 '46 450w

"This work is neither a history nor a handbook of Indian civilization. Its contents are so rich in imagery, so profuse in purely intellectual abstraction and yet so utterly unfamiliar to the average American reader, that they challenge one's powers of understanding and defy any conventional summarization. All in all Mr. Joseph Campbell deserves our gratitude for preparing this significant and stimulating volume." T. M. Avery

ZOLA, EMILE. Masterpiece; tr. from the French by Katherine Woods. 399p \$3 Howell, Soskin

This novel, originally published in 1886, appears here for the first time in an American edition. It pictures the life of a group of iconoclastic painters, living in Paris in the 1860's, and is to some extent autobiographical. The central character, the painter Lantier, is modelled after Cezanne and Manet, and Zola himself appears as the writer Sandoz.

Kirkus 14:503 O 1 '46 120w

"Hermann Kesten, in a slapdash foreword, disparages the earlier translation by Zola's pioneering English exponent, E. A. Vizetelly. Now, though Vizetelly was forced to expurgate, his version remains more accurate than Miss Woods'—and, in the long run, more complete. And, though she restores a number of details omitted by Victorian taste, she heavily cuts the descriptive passages, the historical allusions and the artistic discussions that give the book its documentary value." Harry Levin

N Y Times p3 D 8 '46 900w

"A new and skillful translation, prefaced by Herman Kesten's foreword, as vivacious as it is instructive. . . . Though 'The Masterpiece' does not really rate as one of Zola's own masterpieces, it was one of his most personal

works and holds historical interest as one of the principal documents in the case of Cézanne versus Zola." Matthew Josephson

ZOLOTOW, MAURICE. Great Balsamo; world-renowned magician and king of escape artists. 431p \$2.75 Random house

46-7544

The great Balsamo was born Bernard Grossman in the Bath Beach section of Brooklyn. Dogged by claustrophobia, he nevertheless became a famous magician and king of escape artists. The novel traces his rise and triumphs and then the final pay-off.

"There is little adornment to Zolotow's tale, and at times it seems less expertly told than it might be, but there is a consistently lively quality to the recital. Action is stressed more than character development, though by the time we are finished with Balsamo—and a tragic farewell it is too—we know him pretty well, at least externally. The other characters, more thinly portrayed, are interesting, and no doubt characteristic of the types they are intended to represent." Jack Conroy

Book Week p7 D 22 '46 380w

"Successful characterization—but not too successful a novel."

Kirkus 14:433 S 1 '46 160w

"An interesting if somewhat incredible tale of only moderate appeal." J. E. Cross

Library J 71:1465 O 15 '46 100w

"Mr. Zolotow's fiction is at its best early in the book, in the picture of Balsamo's boyhood and cunning youth. But thenceforth both the content and the handling of the fiction are subordinate—and possibly with good reason—to the factual exposition of Balsamo's working methods. These, too, tend at the story's close to become repetitious—almost as though Mr. Zolotow had discovered belatedly that he had failed to include this stunt and that and had to rush to crowd them in. Good editing could have trimmed fifty pages without loss. But, for all this carping, 'Balsamo' deserves a reading and should bring Mr. Zolotow at least one ticket to Hollywood." F. S. Nugent

+ — N Y Times p9 N 10 '46 600w

San Francisco Chronicle p11 D 29 '46 180w

"There is a noticeable sagging toward the end of the tale; the climax is filled with improbability and strained symbolism. It is as if Mr. Zolotow, having brought Bernie to the peak of fame, didn't know what to do with him. A watery grave seems too easy an answer, it is a disservice to the strong early parts of the story to devise so weak a conclusion. So long as Bernie is battling the world and the locksmiths his biography has pace and interest; after he springs himself from Raymond Street Jail there is a definite let-down." Thomas Sugrue

Recommended for larger public and college libraries." F. E. Hirsch

+ Library J 71:1206 S 15 '46 100w

"Written in a slightly gossipy and occasionally old-fashioned style, the book is valuable as a preliminary study of Zweig's complicated soul, as spadework in the direction towards a far more comprehensive Zweig biography that, one day, will have to be written by a more detached author than the amiable Mrs. Zweig." Alfred Werner

+ N Y Times p6 S 29 '46 1000w

"The book is lyrical in spots, mystical in others, and loosely written throughout, but it contributes to an understanding of a tragic figure—a man of talent who never quite realized his great promise."

New Yorker 22:102 S 23 '46 60w

"A wife's biography of a husband is of necessity a labor of love and Friderike Zweig's book is no exception. The note of reverence and admiration is sustained to the very end. . . The book is in no sense a definitive biography but it will be a valuable source of material for future writers." J. V.

San Francisco Chronicle p12 N 3 '46 150w

"To tell the story of one's own love requires tact and charm; to tell the story of one's own separation from a husband requires even more tact and poise. Mrs. Zweig is equal to both tasks—more than that, she handles both stories with supreme ease. But the biography of a writer is incomplete without a critical appraisal of his work. In Mrs. Zweig's illumination the dimension of Stefan Zweig's literary stature cannot but grow beyond its real contour. . . As a whole, Mrs. Zweig has written a very readable, warm, and vivid book of the type Stefan Zweig himself liked to write." F. C. Weiskopf

+ Sat R of Lit 29:20 O 19 '46 650w

"This portrait of the famous biographer, however generously conceived, moves with a heavy tread. Although Mrs. Zweig is herself a professional writer and biographer, she seems surprisingly incapable, in these pages to which she has given so much heart, of bringing her subject to life. Repetitiously descriptive and fulsomely reverent, she held back the telling words and small, illuminating moments without which no character, whether real or imagined, can be truly understood. The ponderous effect of Mrs. Zweig's book stems, perhaps, in part from its undistinguished translation but mostly from the incense which she burns before her husband's work." Virgilia Peterson

ZWEIG, STEFAN. Balzac; tr. by William and Dorothy Rose. 404p ll \$3.75 Viking

B or 92 Balzac, Honoré de 46-8017

Life study of Balzac on which the author had worked during the last years of his own life. Altho the biography was incomplete at the time of Zweig's death, it was edited by Richard Friedenthal. Contains a chronological survey of Balzac's works, and a bibliography. No index.

"It is discursive and repetitious, lacks an index and critical apparatus and will not satisfy scholars or Balzacomanes; but the book is vibrant and glowing with Zweig's enthusiasm, and his unquestionable charm and unpretentious erudition redeem these shortcomings and make the study a dynamic introduction to writing that is as fresh and lively today as it was 100 years ago. Credit is also due to Zweig's literary executor, Richard Friedenthal, who has tied up the loose ends of the manuscript and added a postscript and bibliography, and to the *Maison de Balzac*, which has contributed 14 illustrations from its collection of Balzaciana." Jex Martin

+ Book Week p3 N 24 '46 850w

Booklist 43:154 Ja 15 '47

"Exceedingly well-written volume, posthumously edited and translated, should have wide appeal. Strongly recommended for general purchase." F. E. Hirsch

+ Library J 71:1541 N 1 '46 140w

"The chapter where Zweig portrays Balzac in the throes of composition is especially poignant. . . With the actual products of Balzac's labors Zweig shows little concern, and his critical judgments are all too perfunctory. He documents Balzac's school days, perhaps a shade too darkly, by quoting from Louis Lambert; but he has no use for Modeste Mignon, the entertaining novel inspired by a fan letter from the Polish countess who was finally to become Madame Balzac. It is indeed surprising that a friend and fellow townsman of Freud's should not pay more attention to the correlations between actual experience and imaginative projection. Nor is much emphasis placed, by way of compensation, on historical background; one could finish the book without becoming aware that Balzac held serious and often original opinions in the spheres of politics, religion and science. In short, the present biographer contents himself with tracing, smoothly and firmly, an old-fashioned narrative line through Balzac's fifty crowded years." Harry Levin

New Repub 115:730 D 2 '46 1450w

"The critical portion of the book deserved more development; conclusions on the creative genius of Balzac might have been appended. As it is, this is one of the most important biographies to have been published in any country in the last few years." Henri Peyre

+ N Y Times p1 N 24 '46 2900w

"A confused, badly written biography." Hamilton Basso

+ New Yorker 22:120 N 23 '46 130w

Reviewed by George Snell

San Francisco Chronicle p12 D 26 '46 600w

"It is not easy to write the biography of a giant who never ceased to make a fool of himself before the dwarfs. The late Stefan Zweig has succeeded in striking a good balance: though he was literally infatuated with Balzac's figure, he hides none of his weaknesses; and while in the course of his painstaking research he learned everything about them, he never deals with his hero highhandedly. His book offers no literary, let alone any critical, appraisal of Balzac's work. Readers not familiar with its greatness have to take the biographer's word for it. . . It would be saying too much to call the present 'Balzac' the definitive biography of the great Frenchman. Still Mr. Friedenthal has put together Zweig's material skillfully and given us a fascinating book." Robert Pick

ZWEIG, STEFAN—Continued

"A wrong focus is given to Zweig's admiration by representing the encyclopedic scope of Balzac's work as unique. He forgets that Balzac lived in the century of Hugo's *Legende des Siècles*, Auguste Comte's titanic embrace of the universe, and Michelet's prodigious historical canvases. Numerous petty errors, mostly concerned with Balzac's contemporaries, annoy the judicious reader. Yet, as it stands, 'Balzac' is Stefan Zweig's greatest achievement, a treasury of pathos and joy, and the coping stone of his own enduring pedestal. The translators, William and Dorothy Rose, have done their work so well that we are unaware of their existence." Marvin Lowenthal

Electron optics and the electron microscope. 766p il \$10 Wiley

535 Electron microscope. Optics, Electronic 46-184

"The first part of the book deals with various types of electron microscopes, the theory of their operation and their use in biology, chemistry and other sciences. Part II, which necessarily involves some rather advanced mathematics, surveys the theory of electron optics, by means of which these negatively charged particles are refracted with electric and magnetic fields in the same manner as light with lenses and prisms. Not only in connection with the electron microscope are these considerations important; they come into the design of tele-

vision camera and receiver tubes, X-ray devices, amplifiers and many other parts of the broad field of electronics." (*Weekly Book Review*) Index.

"This is the first really satisfactory book in English on electron optics, with particular emphasis on the electron microscope. Readers who looked forward to a thorough-going treatment of the subject—as would be expected from these authors—will not be disappointed." G. G. Harvey

Subject and Title Index

To Author Entries, March, 1942-February, 1947

Owing to the fact that the Book Review Digest year does not correspond to the calendar year, running instead from March to March, index entries for January and February of each year refer to the volume dated the previous year; i.e., January and February 1943 will be found in the 1942 Annual. These entries are thus indicated in the index: (Ja '43) (1942 Annual); (F '43) (1942 Annual).

A reference followed by two dates e.g. either (1942, 1943) or (Ag '43) (1942 Annual) indicates a book that has been re-entered, with additional reviews, or as a new edition, after its first entry. For such references consult both volumes.

 Fundamental principles of mathematical statistics. Wolfenden, H. H. (D '42)
 Fundamental principles of physical chemistry. Prutton, C. F., and Maron, S. H. (Mr '45)
 Fundamental radio experiments. Higgy, R. C. (F '44) (1943 Annual)
 Fundamental shop training, for those preparing for war service. Shuman, J. T., and others. (Je '43)
 Fundamental theory of servomechanisms. MacColl, L. A. (Ap '46)
 Fundamentals for the aircraft mechanic. Markley, J. M. (Ap '44)
 Fundamentals of alternating-current machines. Sah, P. (O '46)
 Fundamentals of applied electricity. Jones, E. W. (Je '43)
 Fundamentals of chemistry and their applications in modern life. Offner, M. M. (Ja '45) (1944 Annual)
 Fundamentals of electric waves. Skilling, H. H. (F '43) (1942 Annual)

- Fundamentals of electric welding. Rice, W., and others. (Je '43)
 Fundamentals of electricity. Benjamin, T. D. (S '43)
 Fundamentals of electricity. Dull, C. E., and Idelson, M. N. (Je '43)
 Fundamentals of electricity. Johnson, W. H., and Newkirk, L. V. (S '43)
 Fundamentals of electricity. Miller, F. R. (Ag '43)
 Fundamentals of electricity, for those preparing for war service. McDougal, W. L., and others. (Je '43)
 Fundamentals of electrochemistry and electrodeposition. Glasstone, S. (F '44) (1943 Annual)
 Fundamentals of electronics and their applications in modern life. Williams, H. L. (My '46)
 Fundamentals of engineering drawing. Luzadder, W. J. (S '43)
 Fundamentals of immunology. Boyd, W. C. (Ag '43)
 Fundamentals of indeterminate structures. Plummer, F. L. (O '44)
 Fundamentals of machines. Clark, J. A., and others. (S '43)
 Fundamentals of machines. Dull, C. E., and Newlin, I. G. (Je '43)
 Fundamentals of machines. Joseph, A. (Je '43)
 Fundamentals of machines, for those preparing for war service. Hobbs, G. M., and others. (Ag '43)
 Fundamentals of mechanical inspection for trainees and junior inspectors. Jenkins, R. (Je '44)
 Fundamentals of optical engineering. Jacobs, D. H. (F '44) (1943 Annual)
 Fundamentals of physics. Semat, H. (O '45)
 Fundamentals of physics and their applications in modern life. Dees, B. C. (Ag '45)
 Fundamentals of physiology. Tokay, E. (Ag '44)
 Fundamentals of psychiatry. Strecker, E. A. (Ja '44) (1943 Annual)
 Fundamentals of radio. Jordan, E. C., and others. (D '42)
 Fundamentals of radio and how they are applied. Williams, H. L. (Ag '46) (1945 Annual)
 Fundamentals of radio communications. Frey, A. R. (Je '44)
 Fundamentals of radio for those preparing for war service. Gorder, L. O., and others. (Ja '44) (1943 Annual)
 Fundamentals of shopwork. Johnson, W. H., and Newkirk, L. V. (My '43)
 Fundamentals of shopwork. Owens, A. A., and others. (Ag '43)
 Fundamentals of shopwork. Swartz, D. J., and others. (D '43)
 Fundamentals of social psychology. Bogardus, E. S. (F '43) (1942 Annual)
 Fundamentals of social science. Merrill, F. E., ed. (D '46)
 Fundamentals of soil science. Millar, C. E., and Turk, L. M. (S '43)
 Fundamentals of stress analysis, v 1. Deyarmond, A., and Arslan, A. (D '43)
 Fundamentals of telephony. Albert, A. L. (Ap '44)
 Fundamentals of thermodynamics. Adams, A. S., and Hilding, G. D. (O '45)
 Fundamentals of vacuum tubes. Eastman, A. V. (S '42)
Fungi
 Smith, G. Introduction to industrial mycology. (Ja '47) (1946 Annual)
Fungicides
 Frear, D. E. H. Chemistry of insecticides and fungicides. (Je '43)

London—Continued

Politics and government

Henderson, A. J. London and the national government. (F '46) (1945 Annual)

Social life and customs

Marshall, F. London West. (Ag '45)
Southworth, J. G. Vauxhall gardens. (My '42)

London and the national government. Henderson, A. J. (F '46) (1945 Annual)

London calling. Jameson, S., ed. (F '43) (1942 Annual)

London in flames, London in Glory. Aubin, R. A., ed. (Ag '43)

London missionary society

Northcott, W. C. Glorious company. (O '45)
London triumphant. Jones, S. R. (Ag '43)

London. Vauxhall gardens

Southworth, J. G. Vauxhall gardens. (My '42)

London West. Marshall, F. (Ag '45)

Lone boy. Hubbard, M. A. (N '43)

Lone journey. Eaton, J. (N '44)

Lone woodsman. Miller, W. H. (O '43)

Lonely apples. Phillips, G. S. (Je '43)

Lonely boy blues. Kapelner, A. (O '44)

Lonely Midas. Wildes, H. E. (D '43)

Lonely ones. Steig, W. (Ap '43)

Lonely parade. Hurst, F. (Mr '42)

Lonely road. Carfrae, E. (S '42)

Lonely steeple. Wolfson, V. (N '45)

Lonely trail. Gregory, J. (Ag '43)

Lonesome River justice. Hankins, R. M. (My '43)

Long, Zadoc

Long, Z. From the journal of Zadoc Long. (N '43)

Long adventure. Hawthorne, H. (O '42)

Long alert. Gibbs, P. H. (My '42)

Long and the short and the tall. Josephy, A. M. (My '46)

Long Balkan night. White, L. (Ap '44)

Long dusk. Serge, V. (Ja '47) (1946 Annual)

Long hunter. Parks, E. W. (F '43) (1942 Annual)

Long journey. Jensen, J. V. (My '45)

Long, long ago. Woolcott, A. (D '43)

Long November. Nablo, J. B. (Mr '46)

Long pull from Stavanger. Osland, B. (Ja '46) (1945 Annual)

Long-range flight. McIntosh, C. H. (O '44)

Long ride. Glidden, J. H. (N '42)

Long road. Shipman, N. (F '46) (1945 Annual)

Long ships passing. Havighurst, W. (S '42)

Long storm. Haycox, E. (S '46)

Long trains roll. Meader, S. W. (N '44)

Long view. Taggard, G. (Ag '42)

Long way from Boston. O'Shea, B. (Ja '47) (1946 Annual)

Long way home. Lampell, M. (My '46)

Long were the nights. Cave, H. B. (D '43)

Long white month. Marshall, D. (S '42)

Long year. Chidester, A. (Ap '46)

Longevity

Bogomoletz, A. A. Prolongation of life. (S '46)

Longfellow, Henry Wadsworth

Osborn, C. S. and S. B. Schoolcraft, Longfellow, Hiawatha. (My '43)

Longhorn cowboy. Cook, J. H., and Driggs, H. R. (Je '42)

Lonnie's Landing. Simon, C. M. H. (Ap '42)

Look at America. Look (periodical). (Ja '47) (1946 Annual)

Look at America. Tarshis, E. K. (Ja '48) (1942 Annual)

Look at the world. Harrison, R. E. (S '44)

Look away, look away. White, L. T. (Mr '44)

Look down from heaven. Babson, N. L. (O '42)

Look for the letters. Rey, H. A. (F '46) (1945 Annual)

Look forward, warrior. Owen, R. B. (My '43)

Look out yonder. Angelo, V. (D '43)

Look to the frontiers. Peattie, R. (Ja '45) (1944 Annual)

Look to the mountain. Cannon, L. (Ag '42)

Look who's a mother! Fishback, M. (Ja '46) (1945 Annual)

Look your last. Tillett, D. S. (D '43)

Looking ahead fifty years. Babson, R. W. (My '43)

Lookin' eastward. Clare, T. H. (Je '45)

Looking for a bluebird. Wechsberg, J. (Mr '45)

Looking for Lucky. Quigg, J. (Je '46)

Looking-glass. Campbell, W. E. M. (Mr '43)

Loom of language. Bodmer, F. (Ap '44)

Loom of the land. Mayo, E. R. (N '46)

Loomis, Frederick Morris

Loomis, F. M. Bond between us. (Je '42)

Lord Halifax's ghost book. Halifax, C. L. W. (S '44)

Lord Hornblower. Forester, C. S. (O '46)

Lord is a man of war. Donath, S. F. (Ap '44)

Lord of Alaska. Chevigny, H. (N '42)

Lord of London. Burlingame, C. (D '44)

Lord Weary's castle. Lowell, R. (Ja '47) (1946 Annual)

Lords of the Levee. Wendt, L., and Kogan, H. (Mr '43)

Lord's prayer

Sikorsky, I. I. Message of the Lord's prayer. (My '42)

Tittle, E. F. Lord's prayer. (Ap '42)

Lord's supper

Bell, B. I. Altar and the world. (My '44)

Freeman, E. S. Lord's supper in Protestantism. (Ja '47) (1946 Annual)

Leeson, S. Holy communion. (Je '43)

Simpson, W. J. S. Ministry and the eucharist. (D '42)

Los Angeles

Hanson, E., and Beckett, P. Los Angeles. (Ja '45) (1944 Annual)

Los Angeles. Farmers public market

Beck, F. K. Second carrot from the end. (Ap '46)

Loss of citizenship. Cable, J. L. (Ag '44)

Lost Americans. Hibben, F. C. (Ag '46)

Lost Caesar. Fensong, R. (O '45)

Lost children of the Shoshones. Nevin, E. C. (S '46)

Quest for law. Seagle, W. (Ag '42) (1941 Annual)

Quest for moral law. Eby, L. S. (O '44)

Quest for preaching power. Booth, J. N. (Je '43)

Quest for wisdom. Garnett, C. B. (N '42)

Quest of the golden condor. Knight, C. (Je '46)

The question. Burnet, D. (N '45)

Question of expatriation in America prior to 1907. Tsiang, I. (D '43)

Question of Henry James. Dupee, F. W., ed. (D '46)

Questioned document problems. Osborn, A. S. (S '46)

Questions and answers for deck officers. Norby, H. (S '44)

Questions and answers for marine engineers. Dinger, H. C., comp. (S '43)

Questions of Lifu. Lattimore, E. F. (O '42)

Quezon, Manuel Luis

Quezon, M. L. *Good fight*. (Ag '46)

Quick brown fox. Burnett, W. R. (Mr '42)

Quick construction. Siegele, H. H. (D '45)

Quick freezing. Pierce, A. L. (Ag '46)

Quicksilver. Davis, F. (O '42)

Quicksilver Bob. Lowe, C. B. (D '46)

Quiet center. Henrich, E. (F '47) (1946 Annual)

Quiet lady. Collins, N. (Ja '43) (1942 Annual)

Quiet man. Purcell, P. (S '46)

Quiller-Couch, Sir Arthur Thomas

Quiller-Couch, A. T. *Memories and opinions*. (Ag '46)

Quinine

Duran-Reynals, M. L. de A. *Fever bark tree*. (Ag '46)

La Quintrala. Petit Marfan, M. (N '42)

Quit for the next. March, A. (My '45)

Quit you like men. Elmore, C. H. (Ap '45)

Quite contrary. Urnston, M. (Je '43)

Quiz book of the seven arts. Ranson, J., and Pack, R. M. (F '47) (1946 Annual)

Quotations

Davidoff, H., ed. *World treasury of proverbs from twenty-five languages*. (S '46)

Henry, L. C., ed. *6000 quotations for all occasions*. (Ag '45)

Lawson, R. *Watchwords of liberty*. (S '43)

Mencken, H. L., ed. *New dictionary of quotations on historical principles from ancient and modern sources*. (Je '42)

Oxford dictionary of quotations. (Ag '42)

Prochnow, H. V. *Public speaker's treasure chest*. (S '42)

Stevenson, B. E., ed. *Home book of quotations, classical and modern*. (Ag '45)

Woods, H. F. *American sayings*. (F '46) (1945 Annual)

Quoth the raven. Fischer, B. (N '44)

R for murder. Layhew, J. (N '46)

Rabbis

Zeitlin, J. *Disciples of the wise*. (F '46) (1945 Annual)

Rabbit-go-lucky. Coté, P. N. (D '44)

Rabbit hill. Lawson, R. (N '44)

Rabbit who had four lucky feet. Jackson, K. and B. (D '42)

Rabinowitz, Shalom (Shalom Aleichem, pseud)
 Samuel, M. *World of Shalom Aleichem*. (Ap '43)

Raccoon twins. Hogan, I. (O '46)

Raccoon twins. Tompkins, J. F. (D '42)

Raccoons

Legends and stories

Lang, D. *On the dark of the moon*. (D '43)

Race

Ashley-Montagu, M. F. *Man's most dangerous myth*. (1942, 1943, 1945)

Bonger, W. A. *Race and crime*. (O '43)

Chandler, A. R. *Rosenberg's Nazi myth*. (Ap '46)

Race and crime. Bongor, W. A. (O '43)

Race and democratic society. Boas, F. (Ag '46) (1945 Annual)

Race and nation in the United States. Benians, E. A. (Ag '46)

Race and rumors of race. Odum, H. W. (Ag '44) (1943 Annual)

Race: nation: person. (S '44)

Race problems

Ashley-Montagu, M. F. *Man's most dangerous myth*. (1942, 1943, 1945)

Boas, F. *Race and democratic society*. (Ag '46) (1945 Annual)
